

## **Eating in the Aegean (ca. 700-1500).**

Joanita A.C. Vroom

Leiden University, Faculty of Archaeology, P.O. Box 9514, 2300 RA Leiden, The Netherlands.

The aim of this paper is to use the ceramic finds from excavations in Athens (Greece) and in Ephesus (western Turkey) in order to discuss food habits in the Aegean during Byzantine times (ca. 700-1500).
